Dear Local Pharmacist:

We recognize the importance of maintaining positive health in our Paramedics members.

The demands of providing essential Emergency Prehospital Care service requires a Paramedic workforce that remains active, balanced, physically and mentally fit.

Our Paramedic is provided

- Dispensing fee cap of eligible expenses for the dispensing fee are limited to \$10 for each prescription or refill.
- For prescription drugs only, the deductible is \$50 each benefit year for each person up to a maximum of \$100 per family.

We graciously ask you as our Paramedic's local pharmacist for your assistance in ensuring our members have the ability to acquire their medications sourced locally by waiving your dispensing fee.

This will ensure that you benefit economically by full service and our members benefit through local drug accessibility.

If you have any questions, please contact one of our executive members through your Paramedic or email us at [benefits@peelparamedics.com](mailto:benefits@peelparamedics.com)

Thank you for your assistance in advance.
